Legislative Mandate

In 2004, President George Bush signed legislation mandating school districts have wellness policies by the 2006-07 school year. During the 2004-05 school year, the Allamakee Community School District (ACSD), in compliance with this mandate, established a local school wellness policy updated October 2017 in accordance with the Healthy Kids Act content and activity standards. These include the following:

1. Goals for nutrition education
2. Goals for physical activity
3. Goals for school-based activities promoting wellness
4. Goals for all foods available within the ACSD
5. Review and assess implementation of the policy

I. Goals for Nutrition Education

- A. The Allamakee Community School District will provide nutrition education that will meet the following goals
 - a. Offer sequential, comprehensive, and standards-based nutrition education designed to provide students with the knowledge and skills necessary to promote and protect their health
 - b. Reinforce classroom nutrition education through cafeteria and other school-related activities, promotions, and through parent involvement
 - c. Teach students a healthy attitude about treats, for example when we are hungry and thirsty, it is best to choose healthy items to satisfy that hunger and thirst
- B. The Allamakee Community School District will provide other school-related activities and promotions
 - a. Nutritional information will be provided to students and staff members promoting wellness education
 - b. Nutritional information will be provided by Iowa State Extension Service, Waukon Food & Fitness Youth Team, and other resources through cross-age teaching
- C. The Allamakee Community School District will provide parent involvement in nutrition education
 - a. The school district will work in cooperation with the local hospital to provide a Wellness Fair for all students and parents
 - b. Include nutrition activities and information in the parent newsletters or flyers that go home (Resource Coordinator)
 - c. Use of PowerSchool to send notes home to serve as incentives for parents to follow-up on classroom nutrition education (Resource Coordinator)

II. Goals for Physical Activity

- A. The Allamakee Community School District will provide physical education for all students taught by a certified physical education instructor
 - a. The current physical education curriculum at all grade levels will be enhanced to increase the level of vigorous physical activity and student engagement
 - b. Physical education classes will be cooperative rather than competitive
 - c. Physical education instructors will encourage the practice of physical fitness skills and the involvement of family
 - d. High school staff will continue to offer independent morning PE and varied PE class options.
 - e. The district will continue to offer a wellness course at the junior and senior high levels

B. The Allamakee Elementary Schools will provide recess for all elementary grades

- a. Encourage moderate to vigorous physical activity, the provision of space and equipment, and playground supervisors, who will direct activities and teach self-responsibility so that recess can be productive, safe, and enjoyable (Elementary Principal)
- b. Provide for indoor recess (due to inclement weather) with moderate to vigorous activity through the use of CD's and games (Elementary Principal)

C. The Allamakee Elementary Schools will provide access to physical activity, encourage opportunities and educate healthy life styles with strong academic performance

D. The Allamakee Elementary Schools will provide after-school physical activity enrichment programs

- a. Provision of space, equipment, and activities
- b. Partnership with Allamakee Community Connections Programs, Waukon Wellness Center, and Waukon Park and Recreation
- c. Include organized sports activities such as volleyball and dance club.

III. Goals for School-Based Activities Promoting Student Wellness

A. The Allamakee Community School District will provide the integration of physical activity into classroom settings

- a. Encourage students to meet the nationally recommended amount of daily physical activity, fully embrace regular physical activity as a personal behavior, and provide opportunities for physical activity beyond the physical education class
- b. Offer classroom health education that complements physical education by reinforcing the knowledge and self-management skills needed to maintain a physically active lifestyle and to reduce time spent on sedentary lifestyles (Classroom and physical education instructors)

B. The Allamakee Community School District will provide support for parents' efforts to maintain a healthy diet and daily physical activity for their children

- a. Offer healthy eating/nutrition information through newsletters, school website, Parent/Teacher conferences and student registration
- b. Offer physical activity information through newsletters, school website, Parent/Teacher conferences and student registration

- C. The Allamakee Community School District will provide encouragement and support of personal efforts by the staff to maintain a healthy lifestyle
- a. Encourage staff to be wellness role models for the students of this district and to bring treats/snacks that are healthy when they are sharing with other staff members and with students
 - b. Encourage staff to be involved in independent activities such as healthy eating, circuit training, aerobics, walking, jogging and dancing and promoting staff involvement in physical activity focused events organized for students
 - c. Conduct annual health screenings in conjunction with the local hospital and district insurance carrier
 - d. Administration will offer activities promoting and educating staff on physical and mental wellness such as continuing to offer a preventative and proactive wellness lab clinic in the fall for staff (School Nurses)

IV. Goals for All Foods Available within the ACSD
