3) Enter your desired username and password

The image shows the 'Create Parent Account' form in the PowerSchool system. The form is set against a dark blue header with the PowerSchool logo. Below the header, the title 'Create Parent Account' is displayed. The form contains several input fields: 'First Name', 'Last Name', 'Email', 'Desired Username', 'Password' (with a strength indicator), and 'Re-enter Password'. A note at the bottom states 'Password must: •Be at least 6 characters long'.

4) Scroll down the page and populate the " Link to Students Accounts" portion.  
**Link Students to Account**

The image shows the 'Link Students to Account' form. It begins with the instruction: 'Enter the Access ID, Access Password, and Relationship for each student you wish to add to your Parent Account'. Below this is a numbered list starting with '1'. The form includes four input fields: 'Student Name', 'Access ID', 'Access Password', and 'Relationship'. The 'Relationship' field is a dropdown menu currently showing '-- Choose'.

This is where the you will need the Access ID and Access Password.  
You are able to have multiple students associated to your one account.

6) Once all Access ID's and Passwords have been entered hit enter at the bottom of the page.
